Objective Paradigm - Talution Group

Sr. Technical Recruiter - Salesforce Specialist
March 2015 - July 2017 (2 years 5 months)
Greater Chicago Area

Objective Paradigm is a 15 + year old recruiting organization in downtown Chicago. I work for Talution Group, which is a branch under Objective Paradigm. We have long-standing successful relationships with many of Chicago's top technology employers and I focus on providing top technical talent to our client base, which includes some of the best places to work in the Chicago area.

If you are in the IT field looking to make a change, explore the market, or simply network, please contact me directly.

If you are a hiring manager looking to on-board a Salesforce resource or any type of technical talent, I welcome your inquiry as well.

York Solutions, LLC

Sr. Technical Recruiter, Consulting Services

April 2014 - November 2014 (8 months)

York Solutions is an IT consulting firm that gauges success first and foremost by the true value we create for our clients and consultants.

We strive to be the trusted advisors to our clients and consultants. In this constantly changing business climate, resource acquisition and procurement is an on-going challenge for many companies. York consults with the executive decision-making team to help you determine the most appropriate model to adopt, depending upon your current business needs. York's flexible and customized solution provides you access to the most appropriate resources at any given time.

With a creative resource acquisition model, you are far more likely to get what you need, when you need it!

Think IT Association

Senior Community Director - Chicago Chapter

April 2014 - November 2014 (8 months)

The overall mission of Think IT is to foster professional growth and development for IT professionals through the power of networking and collaboration.

As a Senior Community Manager for Think IT – Chicago, I meet with prospective Think IT members to discuss our groups and programs, as well as how Think IT can best help them achieve their professional goals. I work to create connections and introductions throughout the Think IT membership in order to help members build their networks and further their industry knowledge.

Beacon Hill Technologies

Account Executive/Recruiter

May 2013 - April 2014 (1 year)

Greater Chicago Area

I am currently supporting Chicago, IL for Beacon Hill Technologies. Beacon Hill Technologies, Beacon Hill Staffing Group's technology specialty division, is a national IT staffing organization, operating across industries, that provides contract, direct (permanent), consulting and project management services to top companies and their IT departments.

Ashley Ellis, Inc

IT Search Executive

January 2012 - April 2013 (1 year 4 months)

Ashley Ellis is a fantastic IT and Engineering Recruiting firm. Currently, I am an IT Search Executive and on a daily basis I determine applicant requirements by studying job description and job qualifications. I also determine applicant qualifications by interviewing applicants; analyzing responses; verifying references; comparing qualifications to job requirements. I'm constantly building relationships with clients; developing a good understanding of client companies, their industry, what they do and their work culture and environment.
